

## Process to become a Mentor

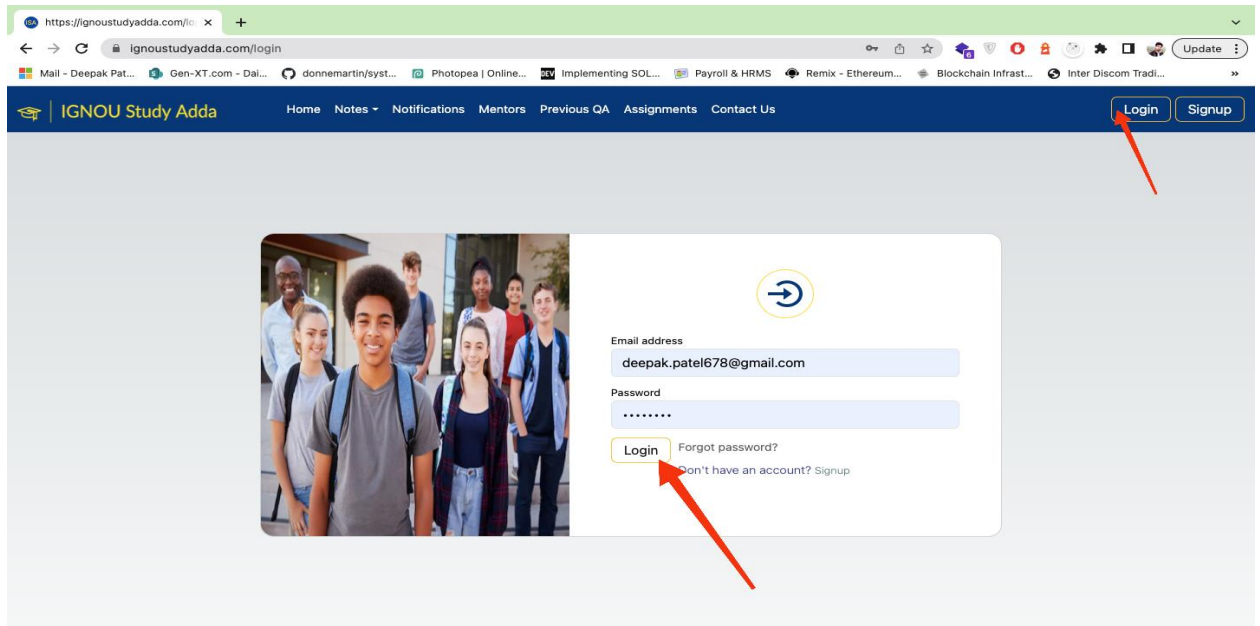

- Click on **Signup** button after that you will be redirected to signup page.
- Fill all fields with existing email id and mobile number.
- Please select **Mentor** from Register As select box.
- After clicking on Signup button, you will be registered on IGNOU Study Adda as Mentor.

The screenshot displays the IGNOU Study Adda website's signup page. The browser address bar shows the URL <https://ignoustudyadda.com/signup>. The navigation bar includes links for Home, Notes, Notifications, Mentors, Previous QA, Assignments, and Contact Us, along with Login and Signup buttons. The main content area features a registration form with the following fields:

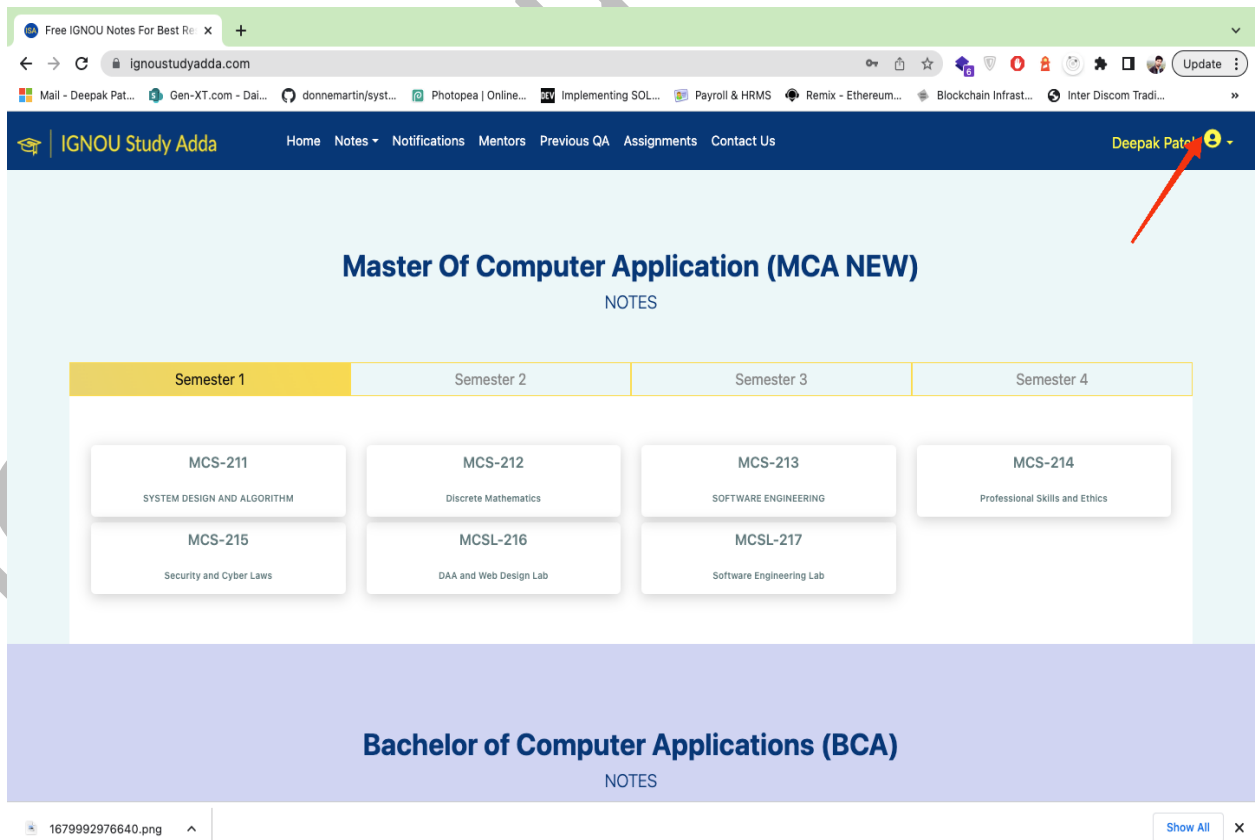

- Name \* (Filled with: Deepak Patel)
- Email address \* (Filled with: deepak.patel678@gmail.com)
- Password \* (Filled with: .....)
- Mobile No \* (Filled with: 9560807234)
- Register As \* (Dropdown menu set to: Mentor)

Below the form is a Signup button and a link for "Already Account? Login". A red arrow points to the Signup button in the top right navigation bar, and another red arrow points to the Mentor option in the Register As dropdown.

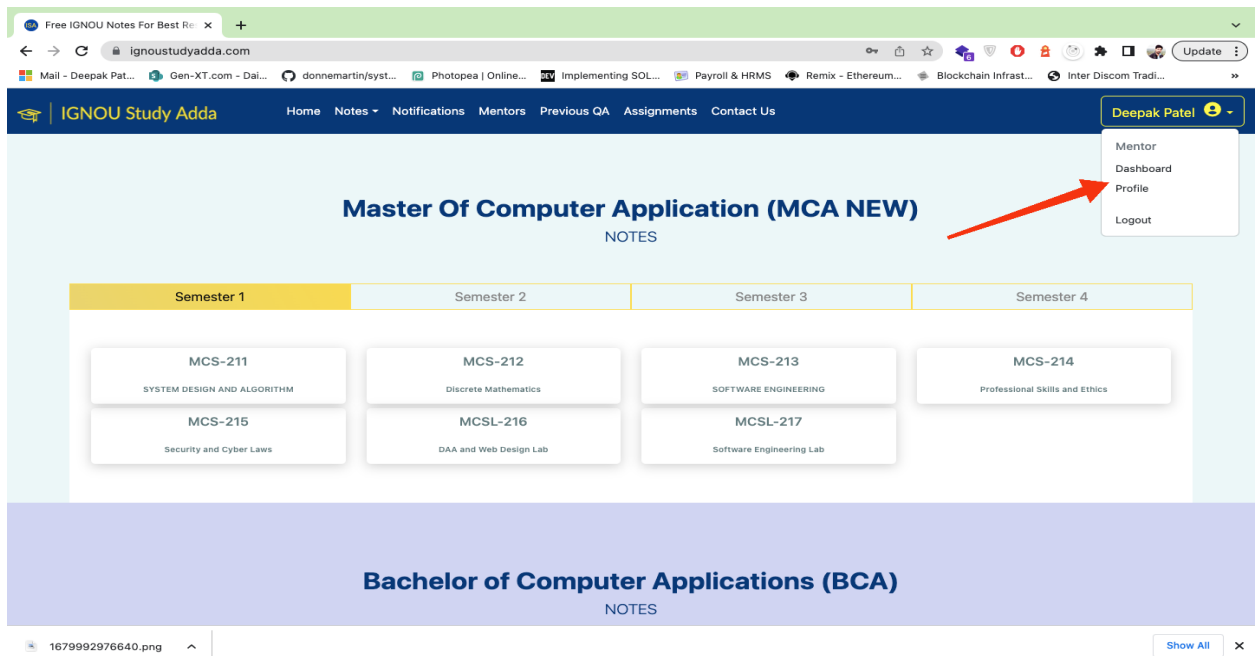

- Please check your email inbox where you will get Login details here.
- Click on Login button you will be redirected to Login page.
- Please enter the credentials (Go on Email) in login fields and click on Login Button.

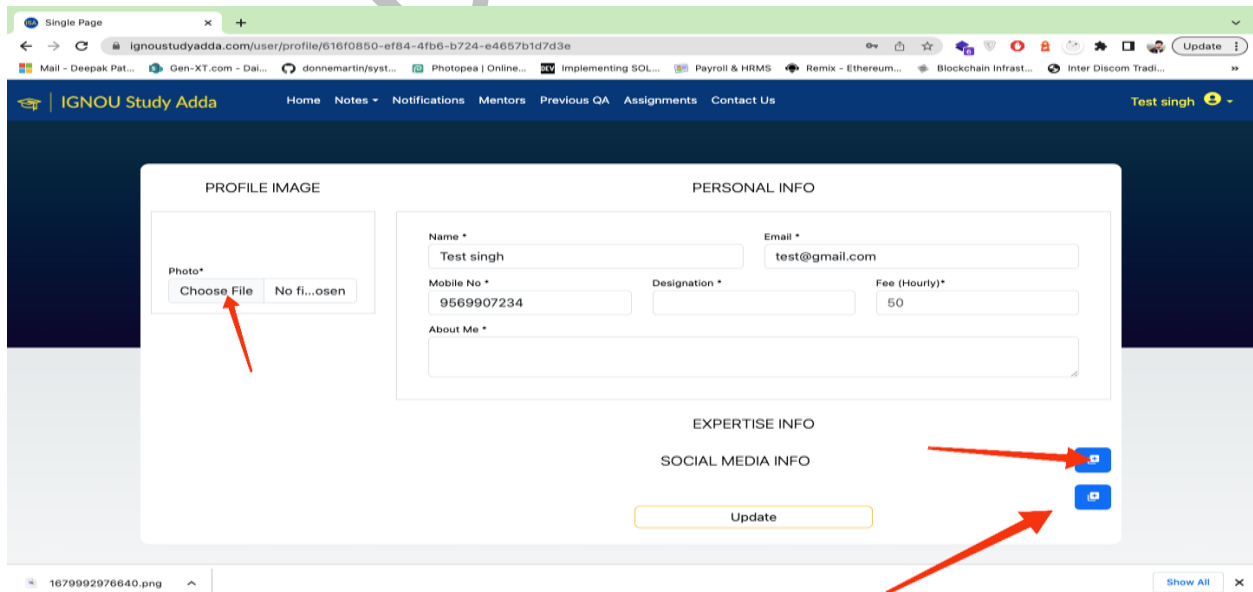

- After Successfully Logged in, you will see User Avatar on header in right side.

- Click on that User Avatar you will find Profile sub menu inside it.
- Click on Profile after that you will be redirected to profile page.

- On Profile page first choose your profile image and click on upload button
- Fill other form fields properly.
- Click on Indicated button to add your technology expertise and social media profile URL.
- After filling the form click on Update button.

- After successfully updating of profile, your profile will be listed on Mentor section.
- To see it click on Mentors menu item.
